

Dear Pillsbury Baptist Bible College Alumni,

Each one of you is privileged to be in an elite group. Such special memories are yours and you have a special place in your heart for the college where God allowed you to be trained to live for and serve Him each day. I've told our students not to bemoan the fact that our experience at Pillsbury Baptist Bible College has to end, but to rejoice that it happened at all. Though Pillsbury is coming to an end, our memories never will, for Pillsbury's ministry will never end because of its graduates serving Christ around the globe and present students transferring to other Christian colleges.

The lessons our sweet Lord has been teaching us during these trying times are so awesome. Our students in the last semester of Pillsbury Baptist Bible College have had the opportunity to learn who God is like they've never known before. We have shared the quote, "If God brings you TO IT, then He'll bring you THROUGH IT." With that in our minds, it becomes obvious that "It's not WHAT we go through . . . it's HOW we go through" that really matters.

It has been a joy beyond description to serve as your president for this last semester. Let's live faithfully to the end, finishing well, and look forward to the days we'll all meet in Heaven. Maybe God will grant us a little corner in heaven . . . THE PILLY CORNER, where we can gather again and recount all the blessed things God did in our lives as we spread around the globe, serving Him.

Because it's all about knowing God,

A handwritten signature in black ink that reads "Greg Huffman". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

Dr. Greg Huffman  
President
