SUBJECT: Insurance for the 2009-10 Academic Year

DATE: July 2009

Please note that all Maranatha student athletes must provide evidence of insurance that includes coverage for athletic related injuries. This is a pre-requisite for practice and competition. No student will be allowed to participate in any way until such evidence of current insurance coverage is on file with the Maranatha Athletic Department. The enclosed Acknowledgement of Insurance Requirement forms and a copy of both sides of the student's insurance card must be on file before a student can participate.

Insurance coverage must have a limit of at least \$75,000 and cover athletic-related injuries.

Maranatha Baptist Bible College will assume no responsibility whatsoever for the payment of, or authorization to pay, medical expenses resulting from injuries that occur while participating in intercollegiate athletic practices or events as a student athlete at Maranatha Baptist Bible College.

If you have any questions regarding the terms of your coverage, you should contact your insurer immediately. Please be sure to note if there are any exclusions in your policy regarding athletic related injuries.

The NCAA's Catastrophic Injury Insurance Program covers student athletes who are catastrophically injured while participating in a covered intercollegiate athletic activity (subject to all policy terms and conditions). The policy has a \$75,000 deductible. This coverage does not qualify as the basic coverage required for participation in athletics at Maranatha Baptist Bible College. It is supplemental coverage in the event of a catastrophic injury. More information on this program can be found on the NCAA's website at www.ncaa.org.

If you have any questions regarding this requirement, please contact me at (920) 206-2314.
